### 1. Introduction

The main goal of this course is to help students improve their communication skills in the context of authentic conversational English. A wide variety of tasks and activities will be included to stimulate interest and to encourage discussion. Students will learn the language structures, vocabulary, and expressions they need in order to communicate effectively, and practice what they have learned in class discussions and conversational activities.

Although students should normally take Conversation I before taking Conversation 2, students with high-intermediate or advanced English ability, or with significant experience in English, may obtain special permission from the instructor to enter Conversation 2 without taking Conversation I. Be advised it is not possible to take Conversation I after taking Conversation 2.

### 2. Course Objectives

### 3. Class types and activities

The main goal of this course is to help students improve their communication skills in the context of authentic conversational English. A wide variety of tasks and activities will be included to stimulate interest and to encourage discussion. Students will learn the language structures, vocabulary, and expressions they need in order to communicate effectively, and practice what they have learned in class discussions and conversational activities.

Although students should normally take Conversation I before taking Conversation 2, students with high-intermediate or advanced English ability, or with significant experience in English, may obtain special permission from the instructor to enter Conversation 2 without taking Conversation I. Be advised it is not possible to take Conversation I after taking Conversation 2.

### 4. Teaching Method

☒ lecture

☐ team project(presentation and case studies)

☐ designing and production

☐ others

☒ discussion and debate

☐ experiments(role-playing,etc)

☐ on-site learning(on-site training)

### 5. Support Systems in Use

☒ e-class / AjouBb

☐ cyber lecture

☐ class behavior analyzing system

☐ automatic recording system

☐ online content

☐ others

☐ web-based assignment

### 6. Teaching Tools

☐ PBL(Problem Based Learning)

☐ UR(Undergraduate Research)

☐ others

☐ CBL(Case Based Learning)

☐ FL(Flipped Learning)

☐ TBL(Team Based Learning)

☐ DSAL(Data Science Active Learning)

### 7. Knowledge and ability required for taking this course

## 8. Method of Evaluation

| Evaluation Item | The Number of Times | Evaluation Proportion | Remarks   |
|-----------------|---------------------|-----------------------|---|
| Attendance      |                     | 10                    | Attendance: Students are responsible for obtaining notes & completing assignments given when they were absent.                                |
| midterm exam    |                     | 15                    | The midterm exam will be an in-class, written test, focused on language accuracy.   |
| final exam      |                     | 15                    | The final exam will be an in-class, written test, focused on language accuracy.   |
| quiz            |                     |                       |   |
| presentation    |                     | 30                    | Oral Evaluation: Students will demonstrate their ability to use the material learned in class, in two unscripted role plays or conversations. |
| discussion      |                     | 20                    | Daily Class Participation: students are expected to come to class prepared and to actively participate in class and small group discussions.  |
| homework        |                     | 10                    | Assignments: Students will be asked to complete both oral and written assignments, as determined by the instructor, in class or at home.      |
| etc             |                     |                       |   |
| study hours     |                     |                       |   |

## 9. Textbook and supplementary material

| Main/Sub | Title (Web-site)           | Writer                         | Publisher                  | Publication year |
|----------|----------------------------|--------------------------------|----------------------------|------------------|
| Main     | Passages 2 (Third Edition) | Jack C. Richards & Chuck Sandy | Cambridge University Press | 2015             |

## 10. Class system and Class shedule
