### 1. Introduction

This is an introductory course in corporate financial management. Students will become familiar with the various concepts and tools used to manage financial management issues within a framework of the “law of one price” . Topics will include, but will not necessarily be limited to, interest rates and the time value of money, valuing projects and firms, risk and return, and capital structure.

### 2. Course Objectives

<경영학교육인증 교과목 학습성과>

K1	
----	--

### 3. Class types and activities

Homework and assignments will be posted on Ajou Bb and/or through email.  
There will be homework at the end of each chapter. The answers will not be graded, but submission will be counted toward your final grade.  
There will be 2 assignments during the semester, in which you will handle real financial data.

## 11. Other items of notification

- ? The TI BA II Plus financial calculator is recommended, but not required. If you choose a non-financial calculator, you may be required to calculate PV and NPV without the aid of TVM or NPV functions on a financial calculator.
- ? This is an online, real-time class. Do not ask me for recordings of class sessions nor attempt to record them on your own.
- ? There will be homework from the textbook at the end of each chapter. The answers will not be graded, but submission will count toward your final grade.
- ? There will be 2 assignments throughout the semester. Unless specified, each work must be original and individually done.
- ? Plagiarism or academic dishonesty will not be tolerated.
- ? Late homework/assignments will not be accepted.
- ? All re-grading requests must be made within one week of receiving the score, in written form. On submission, the entire exam will be re-graded, and the resulting score will be final.
- ? Checking the blackboard and email for assignments and class-related communications will be the student's responsibility.
- ? In line with Article 26 of Undergraduate Operational Regulation of Ajou University, students missing more than 8 classes will be graded an F. The same article specifies which circumstances can be excepted.
- ? Notes (PowerPoint slides and other material) provided are for use in the course only. They are not to be reproduced or redistributed outside the class.
